

Harmony Park Project

Rotary Club of Navarre

NAVARRE HARMONY PARK PROJECT

- Build an accessible musical park within Navarre Park, to include Freenotes Harmony Park™ outdoor instruments, seating/climbing features, and sun protection
- Create a cultural, educational, and joyful experience for children and families in Navarre
- Create an enduring outdoor family activity that supports social distancing
- Create a tangible legacy for Rotary Club of Navarre
- Expand the perception of what Rotary can do in our community
- Planned Installation & Build Fall 2022

Every life has a sound track

Music is a universal language that facilitates connection, independent of the spoken word. Numerous studies indicate that music therapy is beneficial for special needs children.

Fun for kids of all ages!

Signage	<u>\$10,000</u>
Total Cost	\$289,999

A young boy with red hair, wearing a blue t-shirt, is standing outdoors on a grassy lawn. He is holding a stringed instrument, possibly a ukulele or a small guitar, and appears to be playing it. To his right is a large, multi-tiered wind chime with several silver, dome-shaped bells. The background shows a green lawn, trees, and a white fence. The image is partially obscured by a large, curved graphic element that splits the right side into a blue upper half and a dark grey lower half.

SPONSORSHIP OPPORTUNITIES

SPONSORSHIP INCLUDES:

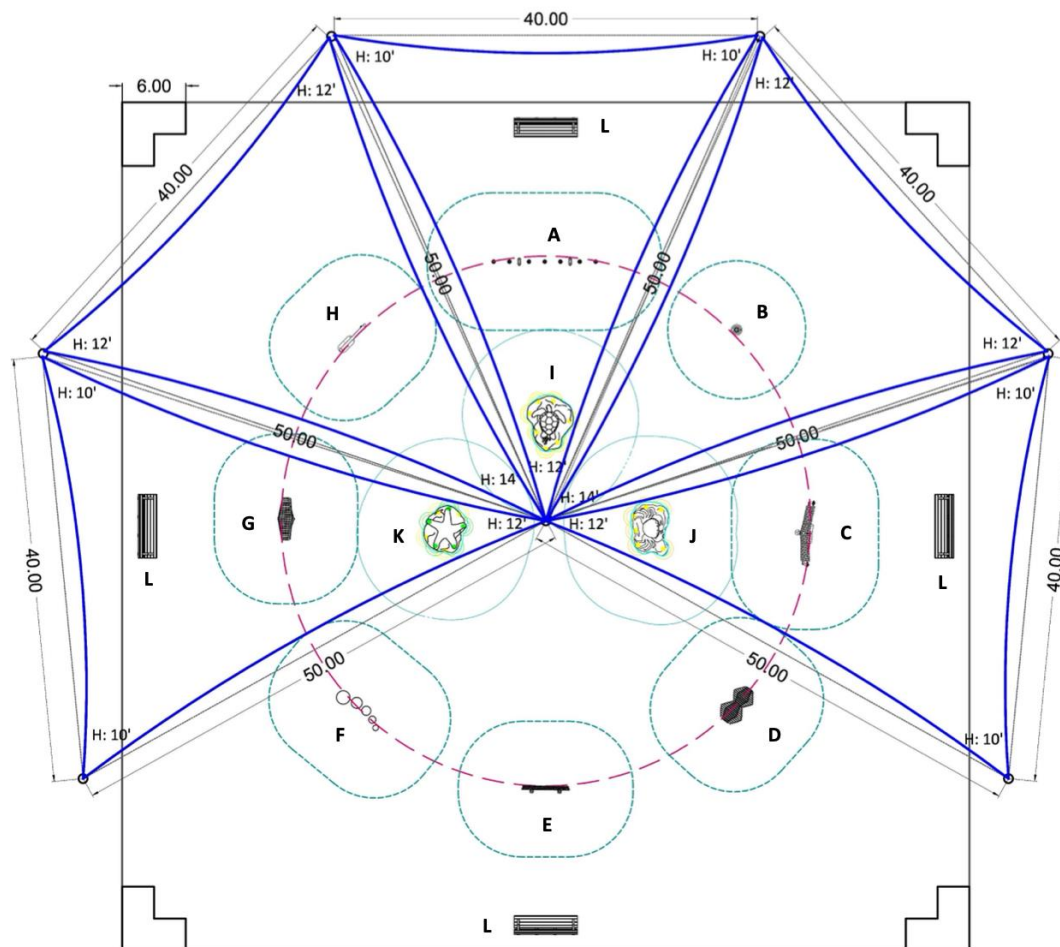

- Recognition Plaque with sponsor message at their instrument or bench
- Recognition on Harmony Park website, social media pages and all printed publications
- Special recognition at ground-breaking and ribbon cutting event
- Recognition on park sign as a Founding Donor
