

Harmony Park Project

Rotary Club of Navarre

NAVARRE HARMONY PARK PROJECT

- Build an accessible musical park within Navarre Park, to include Freenotes Harmony Park™ outdoor instruments, seating/climbing features, and sun protection
- Create a cultural, educational, and joyful experience for children and families in Navarre
- Create a tangible legacy for Rotary Club of Navarre
- Expand the perception of what Rotary can do in our community

Every life has a sound track

Music is a universal language that facilitates connection, independent of the spoken word. Numerous studies indicate that music therapy is highly beneficial for special needs children.

Fun for kids of all ages!
